Cleveland TMP Clerical Unit Ratify

Dear Brothers and Sisters,

The Plant Clericals are a very critical part of our work force here at Cleveland. We are now happy to say they are part of our Union work force here at Cleveland, with a Unit showing 88 percent strong in membership. I would like to extend, congratulations to the Cleveland TMP Clerical Unit on the ratification of their first contract. The CTMP Plant Clericals ratified their first contract on October 31, 2011 with a strong support of 77 percent. We welcome you and support you in securing a better future for our families. As part of our Amalgamated family we hope to see your involvement to help improve our Union as well as our community. We also want to say thank you for taking a stand and becoming the first Clerical Unit in the DTNA family to become UNIONIZED- TOGETHER WE STAND FOR OUR FUTURE.

In Solidarity,

Corey Hill, President UAW LOCAL 3520
